

VBSPCA Wish List

Every in-kind donation helps us save money that can be used to help even more animals. Below is a comprehensive list of items we use on a regular basis. Also, **Amazon Gift Cards** are always appreciated for our Amazon wish list!

Please consider "green" (environmentally friendly) brands if possible such as Method or Seventh Generation. These products are not only environmentally friendly, but these companies do not test on animals or use animal ingredients.

Eco-friendly & Economical: Items you may have lying around the house, or normally trash or recycle, consider donating to the VBSPCA instead!
