

HURRICANE PREPAREDNESS DISASTER PLAN FOR PETS

With hurricane season officially here, use the following tips to make sure you and your pets are prepared.

- Find a pet-friendly hotel. Keep a list of at least three pet-friendly hotels outside your immediate area.
- Prepare a “Grab & Go” bag for your pets. Keep it filled with at least a five-day supply of essential pet items in a readily accessible area.
- Make sure your pets have an ID tag that is fastened to their collar. Consider microchipping your pet.
- Determine a family member, friend, or neighbor who is nearby and would be willing to take your animals with them in the event that you’re unable to make it home.
- Keep your pet up to date on vaccines and have medications on hand.
- If you are unable to leave your home, be sure to have enough food and water for yourself and your pets for at least a week.
