

CONNECTING PEOPLE AND PETS SINCE 1966

Annual Partnership OPPORTUNITIES

We invite you to become a partner in the VBSPCA mission and together we will create a more compassionate community.

The Virginia Beach SPCA believes that human compassion is critical to the elimination of animal suffering, and we are proud to partner with philanthropic individuals, families, and locally-based businesses or national companies who realize that support of the VBSPCA is an investment in a more compassionate Hampton Roads. Each year, we proudly care for over 2,500 homeless animals, treat over 6,500 public pets, help over 300 wildlife, and foster the values of respect, empathy, and compassion in over 2,500 children. Whether your passion lies in animal sheltering, medical care, or education, our annual partnership packages provide you with choices to support what matters the most to you.

The following pages outline our various partnership options, and each option is built around an area of our mission and focuses directly on the impact of your donation. Each partnership opportunity comes with various perks, event benefits, and brand recognition. Customization is always available to help you give in a way that is impactful to you. As a private, independent, nonprofit organization, your dollar makes a difference, and you can trust that your donation will stay right here in our local community.

MIRACLE MEDICAL PARTNERSHIPS

THE ANNUAL COST OF SHELTER ANIMAL MEDICAL CARE EXCEEDS
\$390,000

Miracle Medical Partnerships support the medical care of over 2,500 homeless animals annually. These critical relationships support our Miracle Medical Fund, which subsidizes the cost of all vaccines, antibiotics, medicated shampoos, spay/neuter surgeries, flea and heartworm prevention and veterinary exams for our entire animal population while also providing partial funding for specialty lifesaving veterinary services. These specialty services include amputations, heartworm treatment, dentals, mass removals, hernia repair, eye surgeries, and biopsies. The health of our animals is our top priority, and in 2021 the VBSPCA provided the following care to our shelter population.

 Spay/Neuters . . . 1,534

 Vaccines . . . 8,806

 Preventatives . . . 3,083

 Exams . . . 9,041

 Specialty Surgeries . . . 145

 Dentals . . . 74

Our Miracle Medical Partnerships are highlighted on the following pages, each one offering unique and impactful ways to contribute to the critical second chances for our animals. If your interest is not outlined in one of our packages, custom options are available.

MIRACLE MEDICAL BLOODWORK PARTNER \$50,000

Bloodwork and diagnostics are an essential part of providing adopters with a clear understanding of their new pet's health and history. Not only does this outline the care necessary for a long healthy life, it sets the animal up for success in their new home. This way, adopters know more from the start and can prepare better for the long term.
